I will check in again with our RESLs on the new dates. I know one could go on the 19th but has an appointment that can't be changed the 18th...she could potentially do a short stint before that date too...? More soon, Gina

Thank you Gina, that is great! I do appreciate all the work you do to help. At the present time there are two RESLs and the last one demobs on Monday, 9/14/15. Would it be possible to change the rotation dates to **Monday, 9/14/15** with a demob date of **Monday, 9/28/15**. There has been a change involving the dates for the Documentation Unit leader rotation, also. The new rotation dates start on **Friday, 9/25/15** with a demob date of **Friday, 10/9/15**. The following are the dates for both the RESL and DUL should you get a commitment for that position.

Resource Unit Leader (I believe that they have a pretty good system in place to track resources)

Travel Day: Thursday, 9/13/15

Check-in: 0700, on Friday 9/14/15 (Job shadow the outgoing RESL)

Demob: Friday, 9/28/15 (Last day of work)

Travel Day: Saturday, 9/29/15

Document Unit Leader (It is my understanding that the present DUL has set up a system to follow)

Travel Day: Thursday, 9/24/15

Check-in: 0700, on Friday 9/25/15 (Job shadow the outgoing DUL)

Demob: Friday, 10/09/15 (Last day of work)

Travel Day: Saturday, 10/10/15

Hi Greg,

So we do not have a RESL available on 9/11 but I have people who could go 9/20 and after if that need arises later. I'm waiting to hear back on the Doc Unit position. Thanks, Gina
